This investigation is predicated upon the above-referenced teletypes which requested an appropriate investigation to ascertain the character and reputation of Mrs. MARY W. Interview was had with Mr. and Mrs. STEPHEN and MARIE CAMPBELL, 10935 Landale St., North Hollywood, Calif., who advised that they owned the court consisting of six four-room apartments, one of which has been occupied by Mr. and Mrs. WIDMAYER for the past sixteen months. read, intelligent people who constantly commented concerning present current events and had there been anything strange or radical said she would probably have remembered it. She stated she has been watching the family closely because Mrs. CAMBELL and her husband, who is assistant pastor of the Unitarian Church in North Hollywood, were anxious to get Mr. and Mrs. WIDMAYER out of their church group and away from the Unitarian Church, which she believed they now attended.

Interview was had with Mrs. EDNA DICKERSON, next door neighbor at 10937 Landale, who stated that she and her husband spent a good deal of social time with Mrs. WIDMAYER and her husband. She stated that the WIDMAYERS were a somewhat reserved pair and that actually she knew very little about them. She commented that she knew that Mrs. WIDMAYER had a brother (the applicant) whom she stated had once visited Mrs. WIDMAYER but that she knew absolutely nothing about the family or the applicant's employment and further that Mrs. WIDMAYER had never told her anything concerning the family beyond the fact that during the War Mrs. WIDMAYER's husband, WILLIAM, was a photographer in the Army with Lord LOUIS MOUNTBATTEN. According to Mrs. DICKERSON, Mr. WIDMAYER had received some sort of a letter of citation for his work with MOUNTBATTEN.

Mrs. DICKERSON was led to comment concerning Mr. WIDMAYER's employment with M-G-M Studios as a cameraman as to her recollection of Mr. WIDMAYER's opinion as to the present strike going on in the motion picture studios under union leadership. She stated that Mr. WIDMAYER seldom commented about the situation, but that she remembered that he thought that while the unions were a good thing that the present activity of the unions was motion picture studios was disgusting and that he thought that the present tactics of the union would eventually lead to its cutting its own throat.

Mrs. DICKERSON commented that both of the WIDMAYERS were well balanced people and although well read and talked considerably concerning current events did not evidence any radical tendencies, but were just good people. She stated that the WIDMAYERS took an occasional social call at their home, but that she had in the more than a year's acquaintance with them never seen them other than perfectly normal in every respect.

Interview was had with Mr. E. E. CHUMPLAR of the Flying Saucer Sales, Inc., Lockheed Air Terminal, Burbank, California, for information on employment of Mr. WIDMAYER with that organization during black time at the studio. Mr. CHUMPLAR has advised that according to his records WIDMAYER was employed only for a period of approximately one week from January 13 to 19, 1947 in the capacity of a laborer. CHUMPLAR told some of the employees with whom he was working during the strike at the M-G-M Studios and only wanted to be paid for the time he was on the active payroll and has not been paid since.

The following investigation was conducted by Special Agent  
LESLIE F. WARREN.

Interview was had on February 24, 1947 with Confidential  
Secretary CAROL CHAFFEE in charge of the Studio Security Division of  
Goldwyn-Mayer Studio at Culver City. This interview elicited the information  
from the personnel file of WILLIAM LAMM WIDMAYER carrying Social Security  
061-01-6620 as having been born on July 16, 1915 at New York City. According  
to the record, WIDMAYER started at M-G-M as assistant cameraman on September 30,  
1945, was turned out in February, 1946, returned on March 23, 1946 and was again  
turned out on February 1, 1947. These turn outs were because of lack of work  
and represent a periodic slack period. He is considered as a sane, reliable  
good man with no question as to his loyalties in any respect.

According to WIDMAYER's superior, JOHN ARNOLD, head of the  
Camera Department, WIDMAYER would be rehired at the end of the slack period  
as usual.

A check was made of the Los Angeles Police Department and the  
Los Angeles County Sheriff's Office records and the Retail Merchant Credit  
Association files by Special Agents MANUEL BORCEA and GENE BURGE, respectively,  
with negative results for detrimental information concerning Mr. and Mrs.  
WIDMAYER.

A copy of this report is being furnished the Newark Office for  
completion of their files.

Teletypes to Los Angeles from Newark, dated 2/22/47.

**DETAILS:**

This investigation is predicated upon the above teletypes which requested an appropriate investigation to ascertain character and reputation of Mrs. MARY W. WIDMAYER, 10937 Landale St., North Hollywood, California, and her husband, WILLIAM, as the sister and brother-in-law, respectively, of the applicant.

Interview was had with Mr. and Mrs. STEPHEN and MRS. [illegible] 10935 Landale St., North Hollywood, Calif., who advised that they own a court consisting of six four-room apartments, two of which are owned by Mr. and Mrs. WIDMAYER. The WIDMAYERS were excellent people in every respect and well known as their favorite tenants. They stated that the WIDMAYERS had no outside interests, but were a quiet, home type people, who paid \$7.50 per month rent, did little entertaining and were very conservative people. Mrs. [illegible] stated that she had known Mrs. WIDMAYER when she came to Los Angeles to live with her husband, who was ambitious for her and her husband to get ahead in the business line. Mrs. [illegible] did not recall any derogatory information in Mrs. WIDMAYER and stated that she had never met any one known to Mrs. WIDMAYER who was known to her.

read, intelligent people who constantly commented concerning present current events and had there been anything strange or radical said she would probably have remembered it. She stated she has been watching the family closely because Mrs. CAMPBELL and her husband, who is assistant pastor of the Unitarian Church in North Hollywood, were anxious to get Mr. and Mrs. WIDMAYER into their church group and away from the Unitarian Church, which she believed they now attended.

Interview was had with Mrs. EDNA DICKERSON, next door neighbor at 10937 Landale, who stated that she and her husband spent a good deal of social time with Mrs. WIDMAYER and her husband. She stated that the WIDMAYERS were a somewhat reserved pair and that actually she knew very little about them. She commented that she knew that Mrs. WIDMAYER had a brother (the applicant) whom she stated had once visited Mrs. WIDMAYER but that she knew absolutely nothing about the family or the applicant's employment and further that Mrs. WIDMAYER had never told her anything concerning the family beyond the fact that during the War Mrs. WIDMAYER's husband, WILLIAM, was a photographer in the Army with Lord LOUIS MOUNTBATTEN. According to Mrs. DICKERSON, Mr. WIDMAYER had received some sort of a letter of citation for his work with MOUNTBATTEN.

Mrs. DICKERSON was led to comment concerning Mr. WIDMAYER's employment with M-G-M Studios as a cameraman as to her recollection of WIDMAYER's opinion as to the present strike going on in the motion picture studios under union leadership. She stated that Mr. WIDMAYER seldom commented about the situation, but that she remembered that he thought that while the unions were a good thing that the present activity of the unions at motion picture studios was disgusting and that he thought that the present inaction of the union would eventually lead to its cutting its own throat.

Mrs. DICKERSON commented that both of the WIDMAYERS were well balanced people and although well read and talked considerably concerning current events did not evidence any radical tendencies, but were just generally good people. She stated that the WIDMAYERS took an occasional social drink at their home, but that she had in the more than a year's acquaintance of them never seen them other than perfectly normal in every respect.

Interview was had with Mr. E. E. CHEMPLAR of the Flying Saucer Line, Inc., Lockheed Air Terminal, Burbank, California, for information as to employment of Mr. WIDMAYER with that organization during slack time at the studio. Mr. CHEMPLAR has advised that according to his records WILLIAM WIDMAYER was employed only for a period of approximately one week from February 13 to 19, 1947 in the capacity of a laborer. According to Mr. CHEMPLAR, WIDMAYER told some of the employees with whom he was working that he was coming from the M-G-M Studios and only wanted a job to fill in. He was listed on the active payroll and has not been terminated by that organization.

L.A. 116-33

The following investigation was conducted by Special Agent  
LESLIE F. HARKER.

Interview was had on February 24, 1947 with Carol Chapin, Secretary CAROL CHAFFER in charge of the Studio Security Division of Selwyn-Hayer Studio at Culver City. This interview elicited information from the personnel file of WILLIAM LAMN WIDMAYER carrying Social Security Number 061-01-6620 as having been born on July 16, 1915 at New York City. To the record, WIDMAYER started at M-G-M as assistant cameraman in 1935, was turned out in February, 1944, returned on March 27, 1945 and was turned out on February 1, 1947. These turn outs were because of lack of work and represent a periodic slack period. He is considered as a good, reliable, good man with no question as to his loyalties in any respect.

According to WIDMAYER's superior, JOHN ARNOLD, head of the Camera Department, WIDMAYER would be rehired at the end of the slack period as usual.

A check was made of the Los Angeles Police Department and the Los Angeles County Sheriff's Office records and the Retail Merchant Association files by Special Agents MANUEL SOMOLA and GENE WYNN, resulting with negative results for detrimental information concerning Mr. WIDMAYER.

A copy of this report is being furnished the Home Office for completion of their files.

He continued by stating that WALKER's formal education was limited yet he has had extensive Police experience and is a good report writer despite his limited formal education. He stated that WALKER is a good, loyal American, and he does not know of any relatives that he might have in any foreign country.

Mr. TAYLOR advised that WALKER to the best of his knowledge, has no bad habits, is rather quiet, has a good sense of humor and likes good practical jokes; that his hobby is amateur photography. He is not known to use liquor except for a social drink.

Mr. TAYLOR stated that WALKER is married, but that he understands his wife is in poor health; that they have no children and his wife and parents reside in New Jersey.

In conclusion, he stated that WALKER always got along well with his fellow employees who respected and looked up to him; that he met all bills, and in his opinion would be a very good employee for any position of trust, and is an individual who deserves a good job. He stated he had no derogatory information concerning WALKER.

ATOMIC ENERGY ACT - EMPLOYEE

REINVESTIGATION

Dear Sir:

You are instructed to conduct an immediate, thorough, discreet investigation concerning the character, associates, and loyalty of the above-named individual in accordance with the provisions of the Atomic Energy Act of 1946.

Reports and correspondence in this case should reflect the character as ARAE.

At the request of the Atomic Energy Commission the Bureau has consented to make inquiries on certain of its employees for the purpose of bringing the original applicant investigation up-to-date. These employees occupy very sensitive positions; therefore, all inquiries must be thorough and all inclusive.

The employee's entire adult life must be accounted for. If this was not done during the original investigation it will be necessary to account for the adult life during instant investigation.

The scope of the current investigation must include interviews with present neighbors, associates, acquaintances, and whenever desirable confidential informants should be contacted. Credit and criminal checks should be made on the employee. The same checks should be made on his immediate relatives at their known place of residence.

Those asking questions pertaining to the purpose of this investigation should be advised that the inquiries are being made at the request of the AEC and are of a routine nature.

The original and four copies of the report are to be transmitted to the Bureau by air mail unless ordinary mail is equally speedy. The deadline in this case is 10/5/53.
